

Chain of Hearts, Inc. is currently developing our Heart Box program. These boxes filled with personal and fun items will be given to children as they enter into the system for placement. We recognize that these children need certain items and maybe unsure of how to obtain them. Our boxes for boys and girls age 12 and under and boys and girls age 13 and older will contain an assortment of items such as shampoo, conditioner, soap, deodorant, tampons, combs etc... also included will be fun things like playing cards, candy, small toys and the like.

Our Heart Box program will be dependent upon donations of items on our wish list. Our Heart Box's will be distributed to children at local adoption agencies in the counties we serve.
